

## **BU Incubator Business Static Games Perfects Pitch to Panel**

The Centre for Entrepreneurship team were delighted to welcome Nigel Reed Smith.....onto an expert panel to give incubator business Static Games the opportunity of 'pitching' to business professionals.

With over 30 years of working with start-up and established businesses, Nigel's banking and business support experience offered valuable insights into the financial requirements of a business pitch and he was able to assist Static Games immensely by offering recommendations from this perspective.....

.....The Centre for Entrepreneurship is immensely grateful to Mr Reed Smith for his time and expertise and for his continuing support of the CfE and its business within the incubator.

## **China Innovation Hub: Connecting UK businesses with China**

..... The China Innovation Hub UK Event was being held to promote the Global BU plan to local companies.....

..... Attending the event was Nigel Reed Smith of Wessex Business Focus: "We were delighted to attend Bournemouth University's China Innovation Hub event. We help businesses protect and commercialise their intellectual property and very much welcome the opportunity of liaising with the China Innovation Hub with regards to its links to the Chinese market, potential commercial partners and connectivity to investors."

Nigel concluded: "The University should be congratulated for developing such links for the local business community and also for providing a focus on promoting innovation between China and the UK."
